

Premium™ Magnesium Sulphate

Water-Soluble Straight Fertilizers

- **Premium™ Magnesium Sulphate** is a fully water-soluble sulphur and magnesium fertilizer. It is safe to use on a wide range of fruit, flower, and edible vegetable crops.
- **Premium™ Magnesium Sulphate** is formulated with high-quality ingredients to ensure purity, solubility, and easy absorption by plants. These straight chemical fertilizers provide a targeted approach to nutrient supplementation, allowing growers to address specific nutrient deficiencies and tailor their fertilization strategies according to crop requirements and soil conditions.
- **Premium™ Magnesium Sulphate** is pure, free flowing powder/crystalline Fertilizer free of Chloride, Sodium, and heavy metals.
- **Premium™ Magnesium Sulphate** Can be used in different types of fertigation systems & offers the right nutrient ratio for different crops at different stages of development.

Specification (w/w):

Macro Elements (w/w)

Magnesium (MgO)	16%
Sulphur (S)	13%

Physical Properties:

Color : White
Form: Crystalline Solid

Packing: 25KG

Application Rate:

- Vegetables Open filed: 40–60 kg/ha.
- Vegetables Greenhouses: 60-80 kg/ha.
- Fruit trees: Add a rate of 30–100 g/tree (Several times during the season depending on the type and age of the tree).
- Landscape: 2.5 g/m2.
- Foliar Application: 2 g/L.

Mixing Compatibility:

It can be mixed with all water-soluble fertilizers, except the calcium based and Phosphate based.

Handling Precautions:

- Keep out of direct sunlight and reach of children.
- Store under dry and well-ventilated conditions.
- Avoid contact with skin, eyes, and clothing.
- Wash hands thoroughly after handling.
- Wear protective gloves/ eye protection/ face protection.
- Take off contaminated clothing and wash before reuse.
- Avoid drinking, eating, or smoking while handling.
